NURSERY SCHOOL CHILDREN VISIT APS

The children from Martin's Nursery School had the opportunity Thursday of last week to tour the Appomattox Primary School. Mrs. Pat Torrence, Principal at APS, guided the children through the building pointing out the different grades, and touring several classrooms and the clinic.

The children were given a special treat with a story in the library by Mrs. Newlyn Smith, librarian. To conclude the tour, the group had lunch and were shown where and how to board buses. Six of these nursery school children will be in Kindergarten this Fall. The children are shown in the above photo. Front row, left to right, are Shavonne Carr, Steve Stratton, Matthew Dell, Ben Martin; on the second row, left to right, J. P. Wilson, Karin Kidd and Jimmy Dorety; and on back row, left to right, Steve Hodge, Mrs. Torrence, Megan Gregor, and Tony Harvey.

JUNIOR WOMAN'S CLUB HOME TOUR

The Appomattox Junior Woman's Club is proud to sponsor a Home Tour on Sunday, May 21, from 2 p.m. to 5 p.m. Admission will be $1.00 per person with tickets available at all of the homes. The proceeds will be donated to the Association for the Study of Childhood Cancer. This has been the State Project for the Junior Clubs for the past two years and has recently been chosen as their project for two more years. The association is working hard and making good progress in their fight against childhood cancer. The efforts of Junior Clubs around the state have greatly aided the study of this dread disease.

One of the homes which will be open will be "Eldon",the home of Mr. and Mrs. Francis E. Tyler."Eldon" was the home of the Honorable Henry Delaware (Hal) Food,who was for many years a member of the U.S. Congress. The original house was built about 1825, by the Christian family.

Another home which will be open will be the home of Dr. and Mrs. S. R. Lawson. They are the proud owners of a lovely combination Cape Cod and Colonial home. This spacious two-story home is attractively finished with a combination of siding and brick. The view from their patio includes their sprawling 70 acre farm on which their home is located.

In addition to the Tyler and Lawson homes, Dr. and Mrs. John Fedison and Mr. and Mrs. Danny R. Moon will be opening their homes. These homes will be open on Sunday, May 21 from 2 p.m. until 5 p.m. Refreshments will be served at "Eldon" the Tyler home. Make your plans now to come and visit all of these lovely homes!

ASCS Today

By Tom Conrad

Flue - Cured Tobacco Cooperative Stabilization Corporation Meeting - Carl T. Hicks, President of Flue-Cured Tobacco Cooperative Stabilization Corporation, and Fred G. Bond, the CO-OP's General Manager, have jointly announced that the 32nd Annual Membership Meeting of the CO-OP will be held May 26, 1978, at the Kerr Scott Pavilion, located at the N.C. State Fairgrounds, Raleigh, N.C., beginning at 10 a.m. and adjourning around 12:00 noon. A complimentary barbecue lunch will be served to all in attendance.

This year's featured speaker, according to Hicks, will be Ray Fitzgerald, the Administrator of the Agricultural Stabilization and Conservation Service, and Executive Vice-President of Commodity Credit Corporation.

As ASCS Administrator, Mr. Fitzgerald administers the U.S. Department of Agriculture's farm commodity programs, which includes tobacco, along with many other farm commodities throughout the nation.

Mr. Fitzgerald served with ASCS from 1962 to 1969 as Deputy Administrator for state and county operations and as Vice president of CCC, and in 1961-62 as Assistant ASCS Deputy Administrator.

A native of Plankinton, South Dakota, Mr. Fitzgerald served as Secretary of Agriculture for South Dakota in 1959 and 1960. From 1962 to 1959 he managed farms from up to 1,400 acres, involving grain and hay raising, and lamb and cattle feeding.

James B. Hunt, Governor of North Carolina, will give the address of welcome to the group from the five-state flue-cured tobacco producing area.

In addition, the Annual Reports of the President and the General Manager will be given by Hicks and Bond.

New Federal Insurance Plan Proposed For Farmers - A new natural disaster insurance plan for farmers has been proposed by the Secretary of Agriculture, Bob Bergland. The proposed Farm Production Protection Act would consolidate four existing Federal disaster programs and provide better protection for farmers at no additoinal costs to the government.

The consolidated program is intended to replace the limited protection now offered by Federal Crop Insurance, low-yield disaster payments from ASCS and emergency loans from the Farmers Home Administration and the Small Business Administration. Costs to the government would be less than costs of the four present programs, and more protection would be available to more farmers under the proposed plan.

The new insurance program would not eliminate all disaster programs. Those which cover land and building damage, flood damage to farms and communities, and small business losses would remain.

Coverage would be provided the first year for 18 major crops with the potential for expansion over 10 years to cover all farm products, including livestock. The 18 crops are wheat, cotton, corn, barley, grain sorghum, rice, sugar cane, sunflowers, citrus, dry beans, soybeans, oats, flax, peanuts, tobacco, raisins, sugar beets and rye.

Each farmer who participates in the voluntary program would pay a premium based on the level of protection he chooses and the risk involved in his farming operation. Cost of the insurance would be shared between the farmer and the government.

The new insurance plan is part of our comprehensive food and agriculture policy. If the plan receives speedy consideration in the Congress, the first crop that could be covered would be 1980 winter crops planted in the fall of 1979.

Bethel Bible Church to Hold Evangelistic Services

Evangelistic services will be held at Bethel Bible Church, Linden St. Appomattox on May 26 & 27, 1978.

Services will begin each evening at 7:30 p.m.

The speaker will be Rev. Bill Layton presenting a ministry of song, chalk artistry and preaching.

He is a graduate of Thomas Road Bible Institute, Lynchburg, Va.

He has traveled for 16 years as evangelist, chalk artist and gospel singer, appearing at many churches, Sunday schools and Bible camps.

Also, an extensive ministry in Rescue Missions and Nursing Homes.

At the present time he is assistant pastor and song leader at Bethel Bible Church.

Each evening in addition to preaching and singing Rev. Layton will be drawing a Biblical scene with the use of pastel chalk and black light.

The framable 54 x 30 colored drawing will be given away each evening to the person bringing the most guests to the service.

The meetings are open to the public.

Many cancers are curable if detected early. Take advantage of this fact. How? By taking some time once a year and getting a checkup. Then you'll know how healthy you are. Then you'll know how to keep that way. How about starting right now? Today.
American Cancer Society

The program would be marketed through private insurance agents and county ASCS offices.

Tobacco Leasing - The leasing period for fire and sun-cured tobacco will run through June 1. If you have not completed your leasing agreement yet, I urge you to do so just as soon as possible. Also there is a bulletin board space in the ASCS office to post leasing intentions if you have not already done so.
